Oct. 27, 2014 - One convicted child trafficker to another: Jesuit Pope Francis Bergoglio observes honorary bust of Pope Benedict XVI Ratzinger at the Pontifical Academy of Sciences in Rome

by Alfred Lambremont Webre, MEd, JD

VANCOUVER, BC - In his October 27, 2014 statement to the Pontifical Academy of Sciences in Rome[i], Satanic Jesuit Pope Francis Bergoglio was scientifically correct to acknowledge a role for Extraterrestrial civilizations in the creation and maintenance of our Universe.[ii]

The intent, timing, and substance of the Jesuit Pope's announcement was set by the agenda of the Jesuits, a diabolical Babylonian ritual sacrifice and assassination cult that morphed and rebranded itself into the Knights Templar at the time of the Crusades, and then rebranded into the Jesuits under the masquerade of the "Society of Jesus".[iv]

So pre-emptive was the roll-out of the Jesuit Pope's statement that the publication network of this Exopolitical reporter was significantly sabotaged on October 28, 2014 in a preemptive covert strike by Jesuit intelligence interfacing with NSA and Facebook cointelpro.[v]

Jesuitical Luciferian Statement of Jesuit Pope Bergoglio

The strategy and content of Jesuit Pope Bergoglio's statement on intelligent life's role in the creation of the universe of classic Luciferian – To Claim God's Plan as One's Own.

Excerpts from Pope Bergoglio's statement gathered from multiple published media reports reflect an understanding of the role of intelligent civilizations in the dimensional ecology of our Universe that this author developed from replicable empirical evidence.[vi]

Excerpts from Jesuit Pope Bergoglio's 10.27.14 Statement

"When we read in Genesis the account of Creation, we risk imagining God as a magician, with a wand able to make everything. But it is not so."

"God and Christ walk with us and are also present in nature... the scientist must be motivated by the confidence that nature hides, in her evolutionary mechanisms, potentialities for intelligence and freedom to discover and realize, to achieve the development that is in the plan of the creator."

"He created beings and allowed them to develop according to the internal laws that he gave to each one, so that they were able to develop and to arrive and their fullness of being. He gave autonomy to the beings of the universe at the same time at which he assured them of his continuous presence, giving being to every reality. And so creation continued for centuries and centuries, millennia and millennia, until it became which we know today, precisely because God is not a demiurge or a magician, but the creator who gives being to all things."

The Dimensional Ecology

The Jesuit Pope's statement contains a scientifically valid expression of the dimensional ecology of the Omniverse.

My exopolitical colleague Dr. Michael Salla states "The Pope's statement explicitly endorses the view that intelligent extraterrestrial life may have evolved on many different worlds, and achieved a "fullness of being" and "autonomy" that makes them vital parts of "the plan of the creator." This suggests that the activities of intelligent extraterrestrial life throughout the universe can be supported by the Catholic Church as consistent with the plan of 'God the creator.'"[vii]

In *The Dimensional Ecology of the Omniverse*, this reporter writes, "There is a dimensional ecology among the intelligent civilizations of the universes of the multiverse (the Exopolitical dimensions) and the intelligent civilizations of souls, of spiritual beings and of Source (God) in the spiritual dimensions. The Omniverse contains the totality of all the universes of time, space, energy, and matter and intelligent civilizations in the multiverse in addition to the intelligent civilizations of souls, in the Interlife (afterlife) dimensions, and of spiritual beings and Source (God) in the spiritual dimensions. The dimensional ecology of the Omniverse hypothesis is based on replicable evidence developed according to the empirical scientific method and the law of evidence about subject matters that traditionally have been issues of personal or institutional belief and religious dogma, particularly issues that relate to the existence of the soul, the Interlife (afterlife), and Source (God)."[viii]

Who is Jorge Bergoglio and Why have the Jesuits made this 10.27.14 Statement?

The underlying issues in all historical matters involving an institution such as the Vatican and the Papacy are, however, who is the Pope making this statement, and what are the true underlying goals of the statement in the realm of the divine and the diabolical? That is historically and ultimately the playing field of the Vatican. In this case, superficial geopolitical religious analysis or exopolitical analysis is not adequate to the task. As we will show, Pope Francis Bergoglio and the Jesuits are a master Satanic cult. This Pope and the Jesuits have issued this statement in an effort to seize the forefront of "revealed Truth" – the leading edge of the integration of science and spirituality – and thus keep planet Earth fully within the Satanic New World Order column, as opposed to the column of evolutionary awakening Starseed souls

who reject Satanic sacrifice, heirarchical institutions such as Monarchies, the Vatican, and negative dimensional entities.

Brussels EU Parliament Candidate Statement

Brussels candidate for the EU Parliamentary elections on May 25, 2014 Melanie Vritshan stated, "Natural and Customary Law allows for the establishment of popular courts of justice when the existing legal and governmental authorities are subverting the law and justice, or aiding those who do. Common Law arose historically to uphold the liberties of the people against tyranny, whether religious or secular, and accordingly, has universal jurisdiction when convened as a jury court by more than twelve duly sworn men and women.

The Jesuits: Grabbing the Mantle of God as liberators of Humanity

As we noted, the covert strategy behind Jesuit Pope Francis Begoglio's 10.27.14 statement is to grab the mantle of God as liberators of humanity by being the first planetary public figure to accurately (well, semi-accurately) disclose both the physical and the spiritual role of intelligent civilizations in the creation and maintenance of the many living species, planets, solar systems, galaxies of our Universe and indeed the Multiverse (or collection of all universes).

Jesuitical Luciferic Strategy

This is the essence of a Luciferic strategy: To appropriate for oneself divine appearance without acknowledging the Truth (in this case, that the Vatican, Pope and the Jesuits stay in power through Satanic sacrifice to a diabolical entity and are part of a Jesuitical planetary conspiracy to maintain Earth under the dominance of Satanic hierarchies and networks.) Thus the strategy of a diabolical cult taking on the name "Society of Jesus".

Jesuits ("Society of Jesus") originated in Babylon; Are Satanic, rebranded Knights Templar seeking One World Government

Independent scientist Leuren Moret MA, PhD ABD, has revealed that the Jesuits in fact originated in Babylon as a diabolical secret society centered around secrecy, power, Satanic sacrifice, and pedophilia that rebranded itself as the Knights Templar at the time of the Crusades and in 1516 resurfaced as the "Society of Jesus", funded by Francis Borgia 4th Duke of Gandia Spain (1510-1572) [great grandson of Pope Alexander VI – a Borgia Pope.

Part I: Babylon (Founded 1894 BC) – Assassination to John F. Kennedy (Nov. 22, 1963)

Leuren Moret's investigative series on the Jesuits starts with the Babylonian origins of the secret society that would become the Knights Templar and then the Society of Jesus.

Corporate Name Change to Knights Templar

The Crusades as a False Flag

Crusades were economic but masked as Christianity – Northern Europeans wanted to revive Silk Road

and capture huge revenue stream from it. Crimea was flash point where Silk Road ended and continues to be modern flash point (vast oil and gas deposits Siberia/Russia).

-Western Christian Military Order: History of Knights Templar (founded 1129) and Crusades to Holy Land

First Crusade 1099 - Many bandits, Hugues de Payens and 8 Knights formed organization for protection of pilgrims.

- Advance shock troops in major battles - to break through enemy lines:

1177 during the Battle of Montgisard, where some 500 Templar knights helped several thousand infantry to defeat Saladin's army of more than 26,000 soldiers

-Hierarchy of Order: Noble Knights (nobility, had to already be a Knight to join), non-noble Sergeants, Religious men - 160,000 strong at peak;

-Secrecy about rituals, satanic cults beliefs and practices; could not marry or own property; origin of 18th century Freemasonry (signs and symbols)

- Symbol: Two Knights Riding One Horse (poverty), white gauntlet over armor with red cross on it.

- Knights Templar Papal Bull - 1139, when Pope Innocent II's papal bull Omne Datum Optimum exempted the Order from obedience to local laws. This ruling meant that the Templars could pass freely through all borders, were not required to pay any taxes, and were exempt from all authority except that of the pope

- Knights Templar Established early form of banking to deposit possessions w Knights Templar in EU, received letter of credit to deposit in Jerusalem.

- Christian Finance: Later set up complete EU financial infrastructure/built fortifications throughout EU and Holy Land.

-Moret's and Fountainbleu (Moret-sur Loing), science, stone masons, architects, mathematicians, medicine, hospitals, fire depts.

- Knights Templar put Monarchs on thrones, financed kingdoms [More powerful than any monarchy in EU]; when they broke up, groups went to Hungary, Prussia etc. (Most fascist areas today)

- Strongest presence of Knights Templar: France, England, Aragon, Portugal, Poitou, Apulia, Jerusalem, Tripoli, Antioch, Anjou, Hungary, and Croatia

- The Order of the Knights Templar arguably qualifies as the world's first multinational corporation.

- Decline of Knights Templar - 1307 French Capet King Phillip IV (King of Navarre) owed huge debt to Knights Templar so he had them burned at stake and involved Pope Clement V (his relative) disbanded them in 1312 and both died within months of burnings.

- Chinon Parchment (Aug.17-20, 1308) discovered 2001: Pope Clement V absolved Knights Templar of all heresy charges but disbanded them in 1312.

- Refuge offered by Switzerland or ex-communicated Scotland.

-Lost their international organization but continued to influence at local level - vineyards, business, banking etc. still operational as Freemasons

- Perversion and satanic beliefs/rituals: The Knights Templar were accused of idolatry and were suspected

of worshipping either a figure known as Baphomet or a mummified severed head they recovered, amongst other artifacts, at their original headquarters on the Temple Mount

- Portuguese explorer Vasco De Gama (1460-1524) was Knight Templar

(father was a Knight), first EU to reach India, "Admiral of the Seas of

Arabia, Persia, India and all the Orient", used Marrano navigator

- 100 years a new wave and a new era of European imperialism in the East.

- Society of Jesus - Jesuits: Founded and funded by crypto Sephardic Jews, founded by Ignatius Loyola also a crypto-Sephardic Jew. Francis Borgia sent to Hapsburg Court – Charles V: Holy Roman Empire.

- Francis Borgia: 1564 third "Father General" or Superior General of the Society of Jesus (Military order)

- Jesuits involved in Christopher Columbus expeditions: (Columbus was Portug. Nobleman and son of Polish King - crypto-Jew)

(Fidel Castro is Port/Spanish Sephardic Jew came with Conquistadors and Jesuits}

- All Superior Generals of Jesuits born in Hapsburg/Holy Roman Empire countries

- Jesuits invaded Spain, Portugal, Hapsburg countries, thrown out of Switzerland, Germany, Hungary, and Czechoslovakia

- Establishment of US in 1776 as a democratic country with Constitution caused intense targeting of USA for destruction.

- Secret Treaty Of Verona (1822) - "Three Secret (and very important) Congress" (

- Vienna 1814-15,

- Verona 1822,

- Chieri 1825) <http://calltodecision.com/hout9.htm>

- America would be the target of Jesuit emissaries and that America was to be destroyed at all costs. Every principle of the [U.S.] Constitution was to be dissolved and new Jesuitical principles were to be put into place in order to exalt the Papacy to dominion in America. And fund set up to defeat all democratic govts.

- History of US from 1820's to Lincoln's assassination is missing - Jesuits destroyed the record

-5 Presidents Assassinated by Jesuits In 25 Years:

- Pres. Andrew Jackson (no central bank),

- Wm. H. Harrison (no Divine Right. - arsenic),

- Zachary Taylor (preservation of Union - arsenic),

- James Buchanan (slavery - arsenic survived [Nat'l Hotel 35 died]), Lincoln (slavery/banks - shot in head)

- PLUS William Seward SecState, Ulysses S. Grant, Andrew Johnson VP.

- Civil War (Jesuits) - Lincoln, Russian Tsar, southern states/British/Jesuits (Mobile, AL, Baltimore, Halifax, French Canada)

- Jesuit Assassination of Pres. John F. Kennedy

Jesuits seek to defeat all democracies; Establish one world religion and government, Sole Source Economy[xi]

Jesuit Pope Francis & the BRICS Central Bank

Jesuit Pope Francis and the Vatican now have a growing funding role in the BRICS nations new international development bank, intended to displace and be an alternative to the Rothschild-controlled and "diabolical" World Bank-IMF.[xii]

There are a number of disturbing patterns between Jesuit Pope Francis Bergoglio and Russian President Vladimir Putin, as reported by RT, official Russian television.

For example, I noticed when presiding as a Judge on the Kuala Lumpur War Crimes Tribunal that World press was divided into two groups: those who called the KL Tribunal a "mock tribunal" and those who honored it as a tribunal of conscience

I am amazed to find out that Russia's (and Putin's) RT falls into the category of those who used "mock tribunal" like the Washington Post, thus denigrating the sovereignty of the people's common law.[xiii]

Russia (and Putin's) RT also cancelled an interview with the International Common Law Court of Justice Field Secretary Kevin Annett on the grounds that "To think the Pope would commit evil acts is crazy."

In a coordinated move with Jesuit intelligence following this act by RT, NSA cancelled Kevin's Facebook account and he has not been allowed on Facebook since.

That is exactly what happened to this reporter when Jesuit intelligence activated NSA to activate Facebook cointelpro to cancel the Facebook account of this reporter prior to the 10.27.14 statement of Jesuit Pope Francis Bergoglio. (Facebook informed this reporter at 12:04 pm on 11.29.14 that the account had been reinstated).

In a fundamental way, RT, Putin, Jesuit Pope Francis Bergoglio are, by the evidence, allies against sovereign common law tribunals of conscience such as the:

- International Common Law Court of Justice,
- International Tribunal into Crimes of Church and State www.itccs.org
- Kuala Lumpur War Crimes Tribunal
- www.criminalisewar.org

One would reasonably conclude that VATICAN + BRICS = NWO as well.

Conclusion

Satanic Jesuit Pope Francis Bergoglio's statement on ET role in Universe creation is (1)

scientifically correct and intended (2) to evade criminal court sentence in Ninth Circle infanticides, and (3) to claim Satanic dominance over Earth with ETs

If we review the evidence presented above, it seems that there is probable cause to conclude that Jesuit Pope Francis Bergoglio's 10.27.14 statement is:

1. Statement scientifically correct, in fact at the leading edge of dimensional ecology research;
2. Evade criminal accountability - A public relations evasive strategy to evade and overpower in public opinion any accountability for his criminal verdict on Satanic infanticide and child trafficking at the International Common Law Court of Justice (ICLCJ in Brussels. This strategy was coupled with extreme cointelpro attacks by Vatican and Jesuit intelligence against Judges, Court administrative personnel and witnesses of the ICLCJ and ITCCS.ORG.[xiv]
3. Satanic dominance over Earth – The intent of Jesuit Pope Francis 10.27.14 is to claim Satanic dominance over Earth, both in alliance with the Extraterrestrial powers as legitimizing them in the view of a large sector of humanity, and in power alliance with as their new major strategic partner of the BRICS [Brazil, Russia, China, South Africa] countries in financial and new central bank reach over humanity in a New World Order under God's Own Representative – the Jesuit Pope.

Solutions

1. Positive Future = Positive Timeline + Unity Consciousness

One structural scientific solution to the above dilemmas posed by events in the time-space hologram like the 10.27.17 Pope Francis Bergoglio Statement is contained in the above equation expressing the time science reality that the holographic timeline on which humanity is traveling in our time-space hologram has shifted. As of December 21, 2012 (some say other dates), the interdimensional portal at the core of our Universe is broadcasting waves of Unity Consciousness ("We Are One"). Jesuitical schemes (and indeed all false flags) that are based on Duality Consciousness ("I win you lose") do not prosper in this new holographic timeline and fail.

For more detail, please see "Creating a Positive Future" at www.positivefuture.info

2. Conduct dialogue directly with Ethical Extraterrestrial/Interdimensional councils and their representatives and contactees on who should speak for Earth and humanity and whether the Vatican or Jesuit Pope Francis Bergoglio has moral standing.
3. Conduct public discussions and plebisites on who should speak for Earth and humanity and whether the Vatican or Jesuit Pope Francis Bergoglio has moral standing.

4. Enforce the judgments of Common Law Tribunals.

The Defendants Jorge BERGOGLIO [Pope Francis], Adolfo PACHON [Jesuit Superior General] and Justin WELBY are guilty as charged on two counts: of organizing, aiding and abetting Crimes against Humanity, including murder and human trafficking, and of personally participating in the routine and ritual rape, torture and murder of children. The Defendants are sentenced to life imprisonment without the possibility of parole or pardon, and to the forfeiture of their assets, property and authority.[xv]

Defendants Queen Elizabeth Windsor and Pope Benedict XVI Ratzinger are guilty as charged of child trafficking. Court arrest warrants have already been issued against Elizabeth Windsor, Joseph Ratzinger and others already convicted by the Common Law Court of Justice for child trafficking and murder, Genocide and other crimes against humanity.[xvi]

5. Organize community-based sovereign common law entities to provide justice and self-governance.

These include Common Law Grand Juries; Citizens Tribunals under Natural Law and Common Law; Republic of Kanata; Common Law Republic of England; Common Law Republic of the America (as opposed to the United States corporation) and many other similar sovereign movements.
